

## Up NorthTrip

"It was so fun. I had a blast"

"I conquered some fears this week."

"Thank you so much for helping me through yesterday and showing me something that will be able to help me get closer to God. So I wanna say thank you for helping me get over not knowing where to go in my life."

## Praise the LORD!

**Daily Recreation:**  
Averaging 27 kids a day.

**Painting Gym:** The staff are giving the facility a fresh, clean look.

**Baccalaureate:** A great group of Sturgis seniors led a service to honor and thank the Lord on Commencement day. Someone made special cookies for the event.

**Auction:** Items are coming in to make for a great event and to fund the ministry.

**Appreciation:** Several students made gifts for staff members expressing their gratitude.

**Summer Escape:** - Great team of volunteer leaders.

- The constant rain that was forecast stayed away for most of the trip, and the staff were able to make adjustments when it did come.
