HOW TO PACK & LABEL MEDICATIONS

- ALL MEDS (prescription and over-the-counter) will be turned in to the camp infirmary
- Exceptions to this rule are inhalers & epi-pens. However, these MUST be listed on your registration and approved with the on-site medical staff

HOW TO PACK MEDICATIONS:

- All meds (prescription and OTC) MUST come in their original pharmacy container with patient name and dosage info listed. PLEASE NO MIXED BAGGIES OF PILLS.
- Label all meds with camper name and YFC Chapter name (or city/state if unsure of chapter name)
- Parents, make sure all administration instructions are included in your child's camp registration, describing all details of dosing and administering of the medications as well as any drug interactions you are aware of with your child's prescription (i.e. with food, w/o food, time of day, things to consider, etc). This information helps to ensure accuracy and that nothing gets missed.
- Place all the above into a labeled Gallon Size Ziploc bag for your camper to turn into the camp infirmary
